

Service Volunteers Form

The UKNA Fellowship Development Committee and other UKNA Region Sub Committees are always in need of those who are willing to be of service and from time to time are invited to create specific service projects and tasks.

This form is provided to help connect willing members to those services, projects, and mentorship.

Please fill out the form to the best of your ability.

Be as brief or as detailed as you like.

If you aren't sure where you fit in or what your service niche is, we will be glad to help you. Whether you have a day clean or decades, no NA service experience, or extensive NA service experience, we can all be a part of helping to carry our message of recovery that little bit farther.

Everyone has a piece of the truth, not one of us has all of it.

We are grateful for your willingness to be of service.

Service Volunteers

Name (First + Initial)

Phone

Email

If you are interested in participating in any of our current or future Fellowship Development Task Team or Working Group projects please select one or more from the list below

The Scottish Task Team

This is a running task team promoting unity within and looking at the specific needs of the Scottish Areas.

Virtual Service Working Group

This future working group is hoping to gather the collective experience from the UK based Virtual meetings with a view to address the challenges being faced by those groups and find ways to integrate them more fully into the service structure.

All of the above

What days of the week are you available for service?

- Sunday
- Monday
- Tuesday
- Wednesday
- Thursday
- Friday
- Saturday
- All of the above

What time of the day are you available for service?

- Morning
- Afternoon
- Evening
- All of the above

Please tell us what Area you are a part of?
